A Word From Our Director

Your child's development and safety is important to you, and we have made it a priority in our preschool. I invite you to come by and visit to see our facilities and meet the staff.

Our teaching staff is wonderful! They are experienced, creative, and innovative. You and your child will be loved, treated with care and concern, and considered to be a valuable part of our Fredericksburg Baptist Church Family.

As the director, I am available and here to assist you and your child when you join our preschool family. We look forward to providing an excellent foundation for your child's continued mental, physical, social and spiritual growth.

Enrollment

The program runs on a September-May schedule. Early admission for the next year is offered to FBC members and families of currently enrolled students. General admission to the public opens in February. Once general registration opens, all applications are accepted on a first-received basis.

Application forms must be accompanied by a non-refundable* \$50 registration fee. Legal proof of birth must be presented for witness in the office when you return the application form. Families will be notified of acceptance in late March. If a child cannot be placed in a class, the applicant will be notified and offered waiting list status.

Every child is REQUIRED BY LAW to have a complete physical if he/she has not had one within one year of the beginning of school in September. The enclosed medical form must be signed by your physician and returned to the office prior to the beginning of school. You are responsible for making sure that your child has had the required immunizations. In accordance with state regulations, a child will not be admitted to class unless this form is on file.

Curriculum

During the year, units are introduced as appropriate for each class and may include themes about our homes, our families, our communities, animals, people of the world, and many more.

Learning occurs through free play in centers, small and large group experiences, songs, stories, large muscle activities, caring for our rooms, and socialization with others. Morning schedules may vary from class-to-class, but each will include these elements.

In compliance with the Code of Virginia, this Center is exempt from licensure and is classified as a "religiously exempt" child day center. The center is covered by a public liability policy.

The director, Tracy Affeldt, holds a Career Studies Certificate in Early Childhood Development while pursuing a Bachelor's Degree in Education; she has five years experience teaching in a preschool setting. All classroom teachers have a high school diploma, G.E.D., or college degree and at least one year of programmatic experience in a child care setting, nursery school, or elementary school, or a Child Development Associate Credential.

The staff is certified annually by a practicing physician to verify that they are free from any disability, which would prevent them from caring for children.

The Preschool does not provide food service. All children bring a snack from home.
